Global Design

Semnan Tile was founded in 1994. Today, more than 27 years later, we continue to passionately experience the authentic spirit of a history that continuously renews itself while remaining faithful to our core values, like innovation, technology, and social and environmental sustainability.

We are a global partner in international design. Thanks to our superior ceramic solutions that are innovative in both style and technology. Our extensive range of ceramic surfaces for interior and ceramic decorative tiles meets all the needs of designers and end users all over the world.

Permanent Innovation

At Semnan Tile the most advanced systems are complemented by an extensive expertise in ceramic tiles rich in experience and quality. Process innovationis permanent and oriented towards industrial efficiency, with consequent positive effects on the product and service. To create a new collection, we seek out the most original sources of inspiration wherever they may be. The rarest stones and marbles, the most authentic woods, and the surfaces that best reflect a contemporary character are interpreted until an innovative material of absolute excellence and quality is achieved.
